

Chapel Students Winter Conference 2022: FAQs

What is the host home experience like?

All adults leaders and adults opening their home will be background checked. There will be a minimum of 2 adult leaders along with 8-10 students staying at the home. Host homes are decided by age, gender and campus. Your student will be placed in a group and they will be responsible to communicate their host home location to you. Students and leaders will stay in homes of Chapel families who have made their home available.

How will my student get to and from places?

If your student is in a host home, their leader will drive students in their personal vehicles back and forth to the campus and activities.

If your student is not in a host home, they can drive themselves to the Chapel and remain with us until the evening is over. If your student doesn't drive then you, the parent, will be required to drop them off and pick them up each day.
